Johnny,

To a very good
friend of mine who
has always taken
time to listen to my
problems & help me out.
Stay as sweet & nice
as you are now & you'll
go far. Good luck with
all the gifts I know you will
see, being first to sign
your annual - how nice
of our friend always.

DEDICATION

MRS.

CHARLOTTE

RAY

A great philosopher once said that when we fail to praise a man who deserves praise, two sad things happen; we run a chance of driving him from the right road for want of encouragement, and we deprive ourselves of one of the very happiest of our privileges, the privilege of rewarding labor that deserves a reward.

This statement could very well be applied to the person to whom the Hexagon Staff has decided to dedicate the annual. In her three years of service to our school, she has received only slight recognition for her genuine concern for the students and undying devotion to her job. In 1967, when the 1970 Senior Class members were freshmen, this lady came to our school and began working as a library clerk. The next year she became a secretary and she has remained in that position for the past three years.

It is hard indeed to put into words the respect and admiration the students have for this person. She is always willing to lend a helping hand and her pleasant personality brightens many a person's day. Whether seen in the office or out supporting our athletic teams, she always retains her charm, friendliness, and sincerity. For these reasons and many more the 1970 Hexagon Staff dedicates the annual to our friend, Mrs. Charlotte Ray.

SENIORS

Our freshman and sophomore years at Seventy-First were generally uneventful. These years were like many other phases of life; they were spent in anticipation of the really meaningful high school years.

Our junior year was a completely different story. We were part of Seventy-First. She was part of us. We became club members and finally we were able to sell candy, decals, hats, pins, calendars; we could do all the things we had longed to do. Our prom was a total success and all the hard work put into the Powder Puff and Battle of the Bands proved worthwhile.

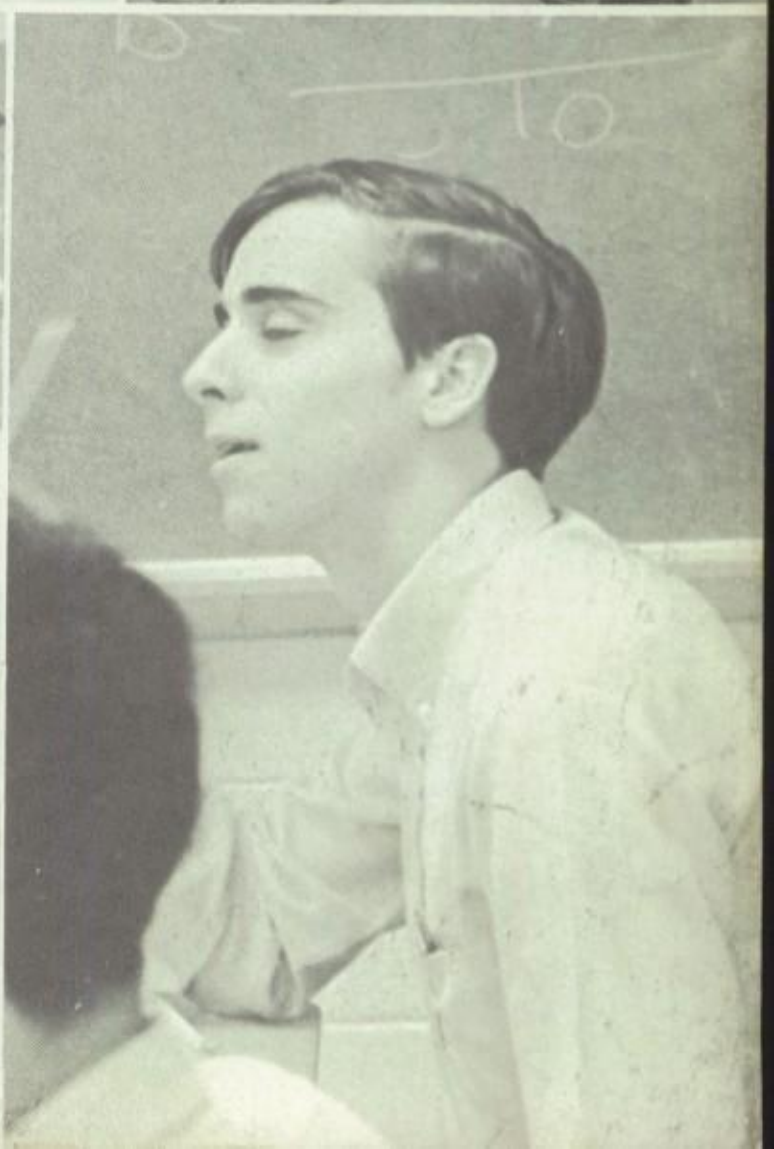

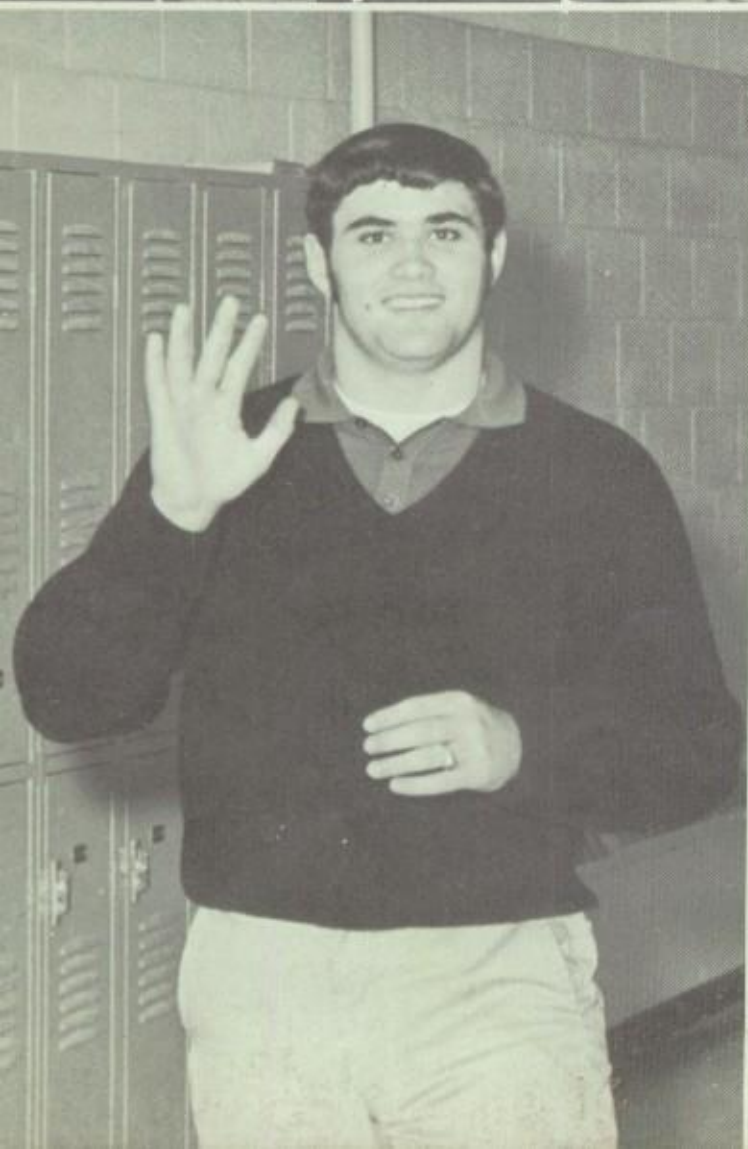

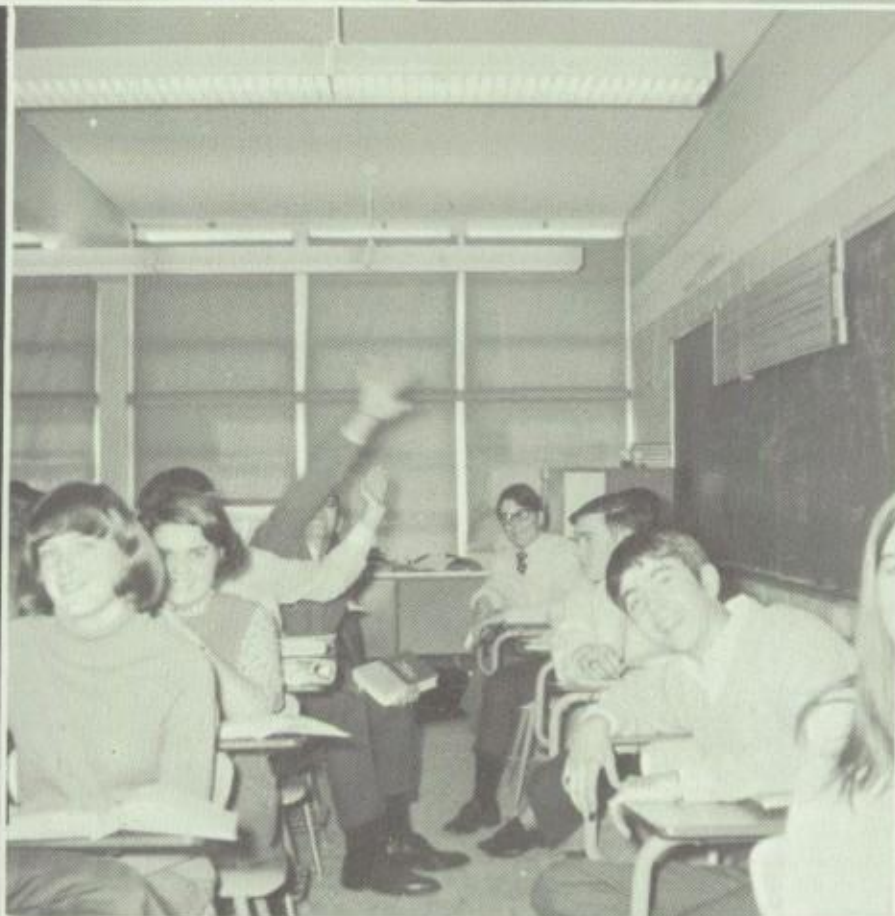

Our senior year seemed to hit us right in the face. We had long looked forward to it, but we were not quite ready. We had always had our lives planned for us. Now we had to start making plans of our own. We had to make decisions which would influence the whole outcome of our success in life.

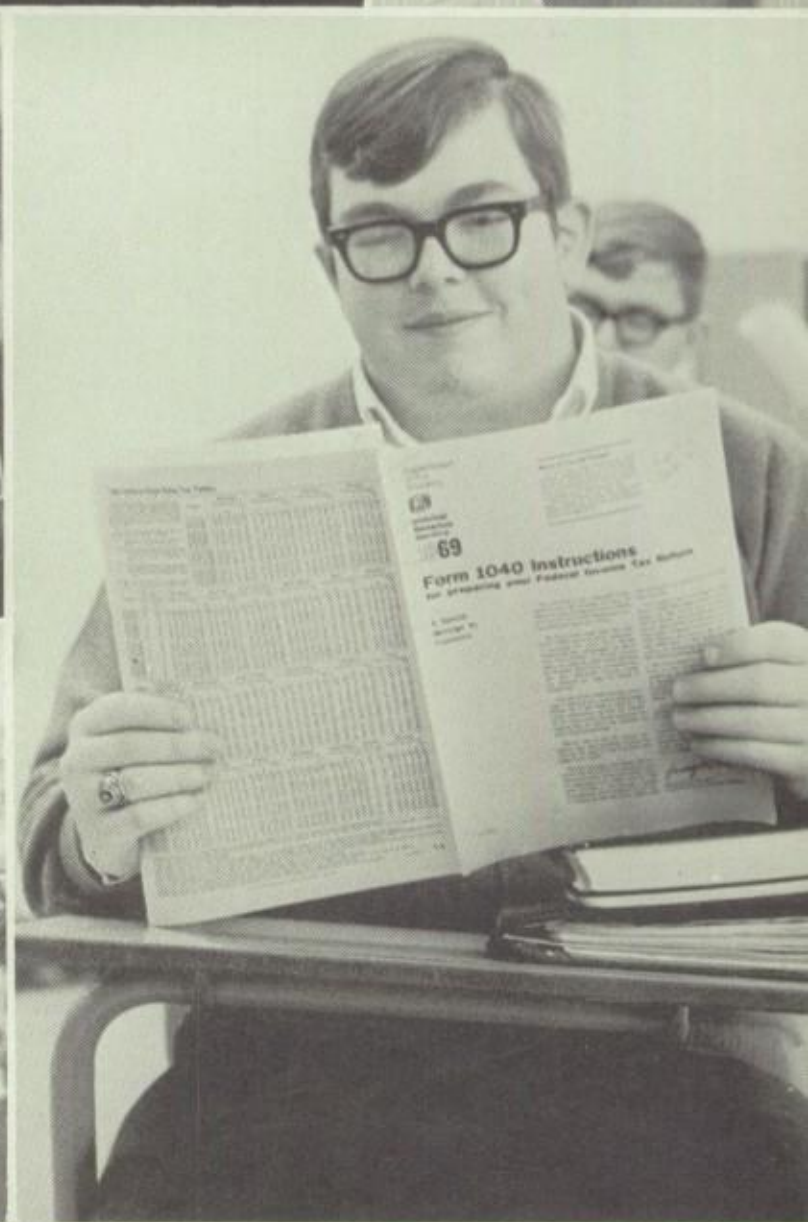

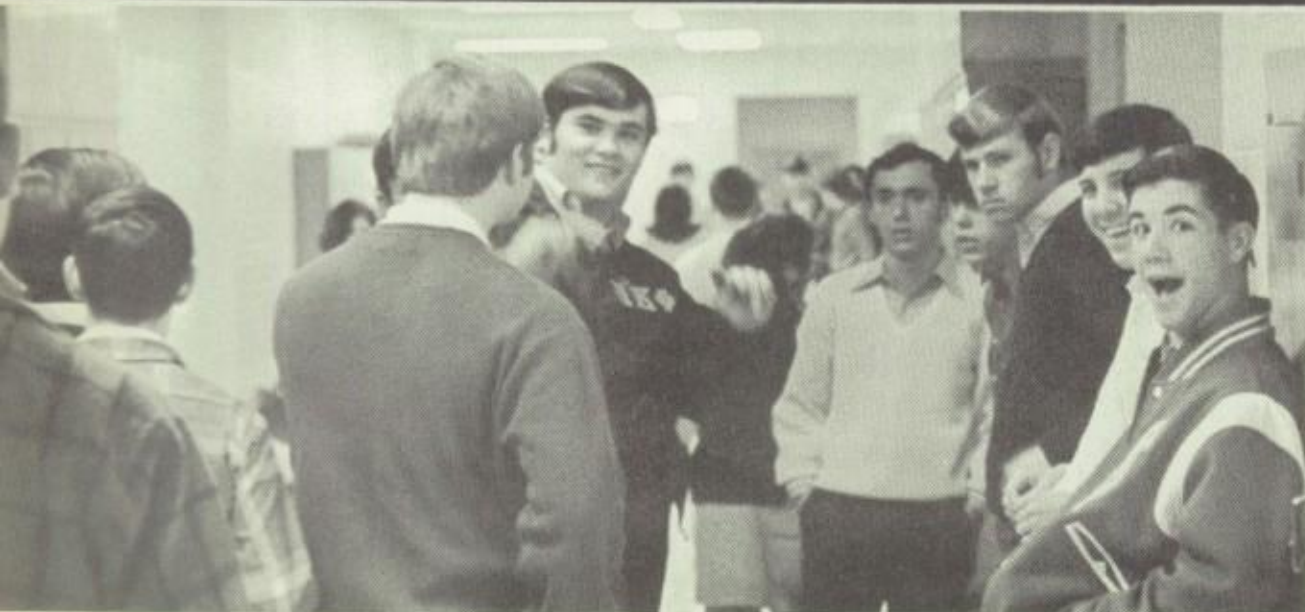

Our class has sought to find its identity. Many of us turned to the world of business. A few went so far as to take physics, Math IV, and advanced biology, and we hate to imagine how hard courses will be next year. We all shared the senior lunchroom as our most prized possession.

The Class of 1970 experienced some firsts. We initiated the school's program of Independent Study. Its success led to its spread to the underclassmen. We also shared in the new student council election system.

The school year has been long for some, short for others. Within the next few months our high school years will be only memories. Some of us will be married, some in business school, some in college, some at work. But wherever we are, we can still look back, and most assuredly we will look back to our lives here at Seventy-First High School.

Twenty capable Seniors were nominated for offices this year, five from each precinct for each office. Speeches were made and elections held. Runoffs produced these leaders for the Class of 1970.

MARSHALS OF 1969

Mary Burkhead and Sue Bennett.

Debbie Redifer, Janet Henderson, and Jim Chambo. Debbie was Chief Marshal.

Few people actually realize the responsibilities of Marshals. This honor, given to fifteen Juniors, requires hard work and a great deal of patience. Many recognize the Marshals as only ushers for the Seniors, but the fifteen usher Parents and visitors for the Baccalaureate Service and Graduation have the added duty of barring the doors to prevent the exit of "front of the alphabet" visitors. In 98 degree weather this job can be quite trying. Many thanks should be extended to this hard-working crew with tired feet.

SENIOR SUPERLATIVES

Debbie Autry and Mike Heath

A dependable person is always willing to take on responsibility; Debbie Autry and Mike Heath are no exceptions. During her four years at 71st, Debbie has served as reporter and treasurer of the FHA, Vice-President of the French Club, Secretary of the Beta Club, Secretary of the Junior Class, and reporter for her homeroom. Also, she is an active participant in numerous other clubs.

Mike has also served his school as a very active student. As editor of the newspaper his junior year, Mike received the Valuable Staffer Award. Also that year he was a bus driver. This year he served as Vice-President of the Beta Club, Homeroom reporter, and again as a bus driver. With these qualifications one can tell both Mike and Debbie are worthy of this superlative.

MOST DEPENDABLE

MOST SCHOOL SPIRIT

The qualifications for being awarded the superlative "Most School Spirit" are readily understood — a good strong voice. Bob has given his support to our school as football, basketball, and baseball trainer. With his familiar jersey, bearing the number 13, he braves all weather conditions to support the teams in any way he can, whether it be yelling a cheer or taping an ankle. Bob was a cheerleader for Powder Puff both his junior and senior years.

Wanda served as a cheerleader for three years and became chief her senior year. As chief, everything is not as nice as it would seem. Wanda must put up with all the comments, both bad and good, made about the cheerleaders and also suppress some of the "not so good" cheers. Both she and Bob are worthy of recognition for their school spirit.

Wanda Barkhurst and Bob Stevens

MOST INTELLECTUAL

Debbie Redifer and Jim Chambo are well suited for their role as "Most Intellectual." Debbie has been a member of many clubs during high school including the FTA, Debate Club, and the Beta Club. She was treasurer of the French Club and a member of the Newspaper Staff. Being number one in the class won her the honor of Chief Marshal.

Jim has been a student of Seventy-first for only two years, but he has served our school well during this time. He is a great athlete and has membership in many clubs including the Science Club, Key Club, French Club, and Beta Club. He is on the Student Council and is President of the Student Body. He attended the Governor's School in 1969. The Senior class made a wise choice in their selection of this superlative.

Debbie Redifer and Jim Chambo

BEST PERSONALITY

Allen Brown and Mary Burkhead

Mary Burkhead and Allen Brown share the title of "Best Personality." Mary is an active participant in nearly all school activities and belongs to many clubs. She has been a member of the French Club, Student Council, Beta Club, FHA, and FTA. She was State President of the FTA, FFA Sweetheart, Beta Club treasurer, Homecoming Attendant, Class President, and Class Vice-President. She was selected "Miss Governor's School" during her summer in Winston-Salem.

Allen is also an active student around school. His club memberships have included the Debate Club, Key Club, Beta Club, Civics Club, and Science Club. He was a member of the Newspaper Staff, and a bus driver. He was a Marshal his junior year. He was on the track Team, Wrestling Team, and Football Team. Mary and Allen's outgoing personalities have added much to the Class of 1970, and they are very worthy of their superlative.

Johnny, if it wasn't for you're 4th period sign in I might have never known you - but I would not have missed your smile! Best of luck. Big Mary

Courtesy is defined as politeness combined with kindness. Webster described well the outstanding traits of Janet Henderson and Ron Christopher. Ron's courteous character adds to his popularity at school, but he does more than open doors and pick up books dropped on the floor. As a sophomore, he was in the Chorus and was a waiter for the Junior-Senior Prom. He was also a member of the Golf Team.

Janet's courteous manner puts her doing much work around school. She has been in the Beta Club, FTA, FHA, French Club, and Student Council. She has held a state office in the FTA, was a member of the Newspaper Staff and the Annual Staff. Both Ron and Janet are great assets to Seventy-First High School.

MOST COURTEOUS

Ron Christopher and Janet Henderson

MOST LIKELY TO SUCCEED

Anne Sneed and Kurt DeMann

Kurt DeMann and Anne Sneed hold the title "Most Likely to Succeed" and with their credits, this is certainly true. Anne's scholastic success is shown by her membership in the Beta Club, her role as Marshal, and her Independent Study privilege. Her citizenship success is shown by the DAR Good Citizen's Award and the honor of FHA Girl of the Year. Her club memberships also contribute to her success in school.

Kurt has also foretold his success in life by his success at Seventy-First. He is very well known around school and participates in many activities. He has been in the Chess Club, the Science Club, the French Club, the Photo Club, and the Civics Club. Life will welcome Kurt and Anne and will challenge them to succeed.

Susan Spears and Ronnie Newkirk

Susan Spears and Ronnie Newkirk do not have to buy popularity; they earn it. Susan served as Vice-President of her freshman class. She was a member of the Student Council, the Civics Club, the French Club, FTA, Newspaper Staff, Basketball Team, and FBLA. She is president of the Beta Club and was a member of the Mixed Chorus. She has many friends among her classmates.

Along with Ronnie's enrollment in Seventy-First High School came instant popularity. He was nominated and elected president of the Senior class. He has been a member of the Student Council, National Honor Society, Newspaper Staff, French Club, and Chorus. He is currently on the Student Council and is in the Key Club. Susan and Ronnie are truly a great addition to the Class of 1970.

MOST POPULAR

BEST SPORT

A good sport is one who can accept a joke with a smile and tell a joke with a big laugh. Toni Vigoletti and Mike Garcia fit this description and are always fun to be with. Being a good sport is more than joking around. Toni has proved this with her membership in the Pep Club and Chorus. She played Powder Puff her Senior year and was a Powder Puff Queen Escort her junior year.

"Best Sport" has a dual meaning for Mike. He not only has a great personality, but also has an outstanding record in track. He has set records in 71st track history as a member of the track and cross-country teams. He has also been in the Varsity Club, the Key Club, the Drama Club, and the Student Council. He was a Jr.-Sr. Waiter and a Bus Driver. No one can argue that these two deserve their title of "Best Sport".

Toni Vigoletti and Mike Garcia

Chuck Gore and Debbie Davis

BEST ALL AROUND

Barbie Phinney and Wayne McDonald are "Most Athletic" of the Senior class. They have earned their title. Barbie has played basketball all four years of high school. She is currently captain of the team. As a sophomore she was on the track team. She played on the Powder Puff football team as a Senior. She was on the Newspaper Staff her junior year and was sports editor. She is now in the Pep Club.

Wayne has been active in the Seventy-First sports program since he was a freshman. He has played football all four years. This year will make four years as a baseball player. He played basketball for three years. His great ability as an athlete won him membership in the Varsity Club. The Annual Staff wishes Barbie and Wayne the best of luck.

Barbie Phinney and Wayne McDonald

"Best All Around" is a high honor, and Chuck Gore and Debbie Davis are very deserving students. Debbie has been a member of many clubs during her high school career. She has been class secretary and student body treasurer. She was a Keymate and the DECA Sweetheart. Debbie is co-chief of the Varsity Cheerleading Squad. She was the 1969 Homecoming Queen.

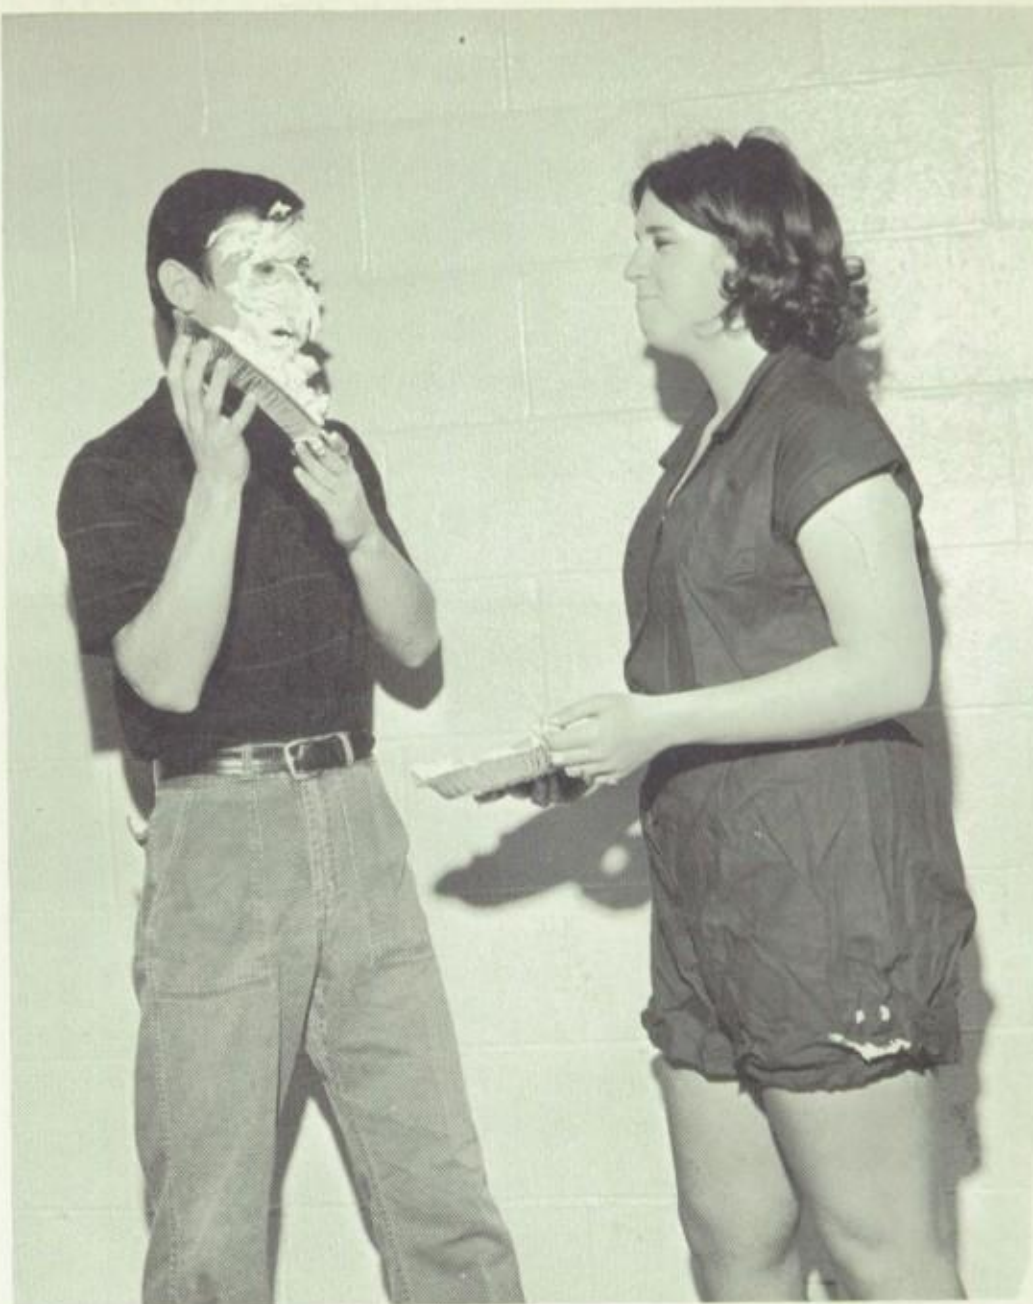

Chuck has proved the worthiness of his title in many areas of life at 71st. He has played basketball for four years and was captain of the team this year. He was a member of the Key Club, Varsity Club, Beta Club, Newspaper Staff, and Student Council. He was a Jr.-Sr. Waiter and a Powder Puff Cheerleader. As a Senior he was Student Body Vice-President. Their accomplishments prove Debbie and Chuck to be "Best All Around."

MOST ATHLETIC

No one can sit with a straight face if Debbie Miller and Danny Zielinski are around. When it comes to finding the "Wittiest" of the Senior class, Debbie and Danny are summoned.

Debbie has been an active student of Seventy-First. She has had membership in the Drama Club, FBLA, and Pep Club. She has played basketball, and she played Powder Puff football. She was a committee chairman for the prom.

Danny is also very active. He takes time out from his jokes to retain his membership in many clubs. He has been in the French Club, Varsity Club, and Pep Club. He is on the Annual Staff and is a club president. He has played both basketball and baseball. The Class of 1970 has really enjoyed having these two as our friends.

WITTIEST

MOST TALENTED

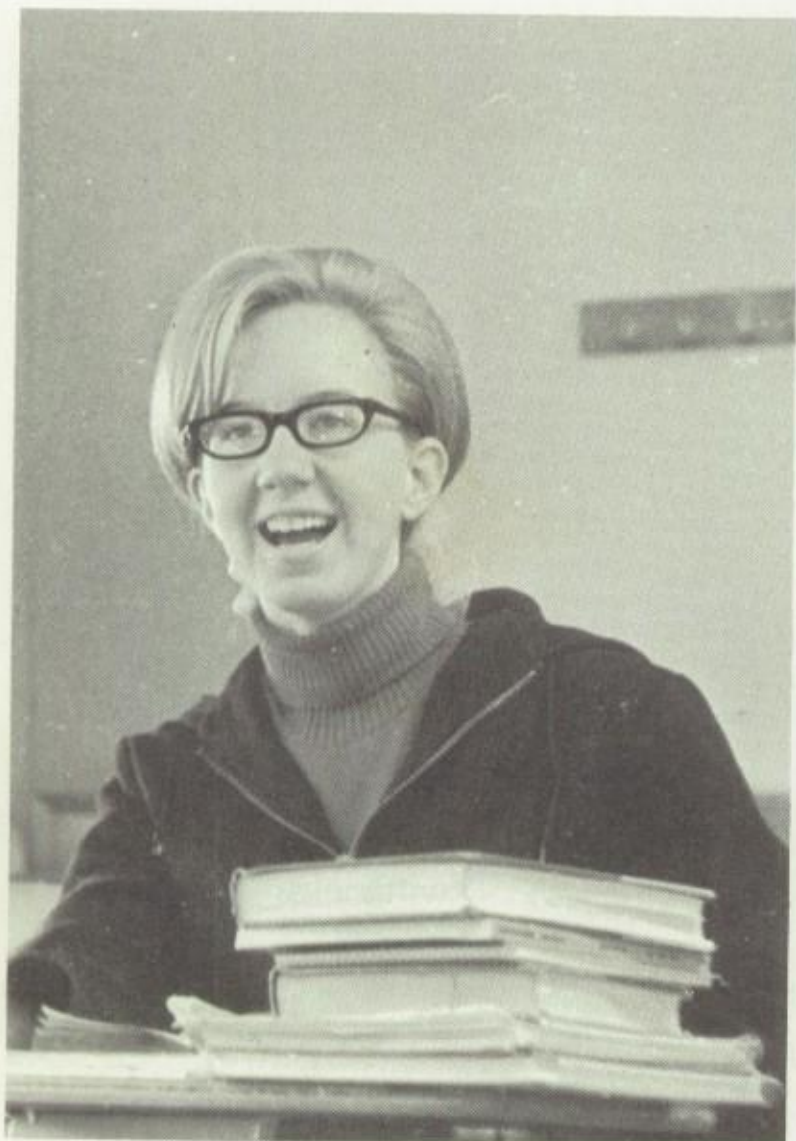

*so a real hell-raiser
keep it cool & don't let your
meat loaf! Drink one for me
Great friend Lynn*

Lynn Jenkins and Joette Moore have been voted "Most Talented" of the Senior class. Talent is a quality possessed by many but often wasted. One can agree that Lynn and Joette have not wasted their talent. Joette may be remembered by many as a member of the "Waysiders," a folk-singing trio. As a sophomore she shared the honor of winning the school's Kiwanis talent show and placing in the county-wide contest. The group also received honors in the DECA Talent Contest.

Lynn is very well-known for his role as lead singer in "The Sound System." He too has been a Kiwanis Talent Winner, and his group placed second in the Battle of the Bands. Few people have failed to hear Lynn's magnificent voice, as he sings for many local dances. Lynn has also been a member of the school's chorus for 2 years.

The Annual Staff is introducing an addition to the Senior section. A type of "Who's Who at Seventy-First" has been suggested, and we have decided to include it this year. The section is an attempt to recognize some of the Seniors' achievements during their high school careers. State offices and attendance of the Governor's School of North Carolina merit such recognition.

Mary Burkhead is a double honor winner. In 1968, she attended the Governor's School for French. During the summer she was selected as Miss Governor's School. The next fall she was elected state president of the FTA.

Mary is well known around 71st. She has been a member of many clubs, including the Beta Club and the FTA. She is the FFA Sweetheart this year, and she is treasurer of the Beta Club. She was a Keymate her sophomore year. She was a Marshal for the 1969 graduation.

Mary's senior superlative "Best Personality" fits her well. She plans to attend East Carolina next fall.

Sue Bennett was accepted at the Governor's School last summer. Math was her major area of study and she spent seven weeks of experimental study (There are no grades!) with 399 other North Carolina high school students.

Sue is a member of the FTA and the Beta Club. She is an active member and an asset to the clubs. She was a Marshal at last year's graduation.

Sue was a National Merit Scholarship Finalist and she plans to attend Ohio University.

Jim Chambo was nominated and accepted at Governor's School in 1969. Social Science was his chosen field and he represented 71st well as a member of the G. S. student body.

Jim is an active student at our school. He is student body president and is a member of the Beta Club, Key Club, and French Club. He served as a basketball and a football player. Last spring he was a Marshal.

Jim has his hands full of scholarship considerations. At present he is competing for the Morehead and the Angier B. Duke scholarships.

Janet Henderson served the state FTA as corresponding secretary during 1968-1969. She was well qualified for her position to serve the state.

Janet is a member of the Beta Club, French Club, Keyette Club, FHA, and FTA. She also plays basketball, and works on the annual. She was a Marshal her junior year and served on the Newspaper Staff. She was elected "Most Courteous" of the Senior class.

Janet plans to attend Wake Forest. N. C. State places second on her list. Either school will welcome her with open arms.

Joette Moore attended Governor's School after her sophomore year. She enjoyed studying French during the seven week session.

As a sophomore, Joette was a waitress for the Jr.-Sr. Prom. She became a member of the French Club, Beta Club, and the FTA, in which she has served as treasurer for two years. She is a member of the Annual Staff and was a Marshal last year. She was elected "Most Talented" of the Senior class.

Joette will attend N. C. State next fall. She plans to major in math.

Vicki Voltz attended Governor's School after her junior year. Social Science was her area of study, but her love for art was stimulated through her close contact to that field.

Vicki is a member of the Beta Club, Science Club, Keyette Club, and French Club. She is president of the FTA and is a Varsity Cheerleader. She was a marshal last spring.

Vicki plans to attend St. Andrews Presbyterian College next fall. She is currently under consideration for the Vardell Scholarship. All can agree that she is fully qualified for the honor.

Liz Estess was elected state reporter of the FBLA. She has also been very active in the school's FBLA chapter.

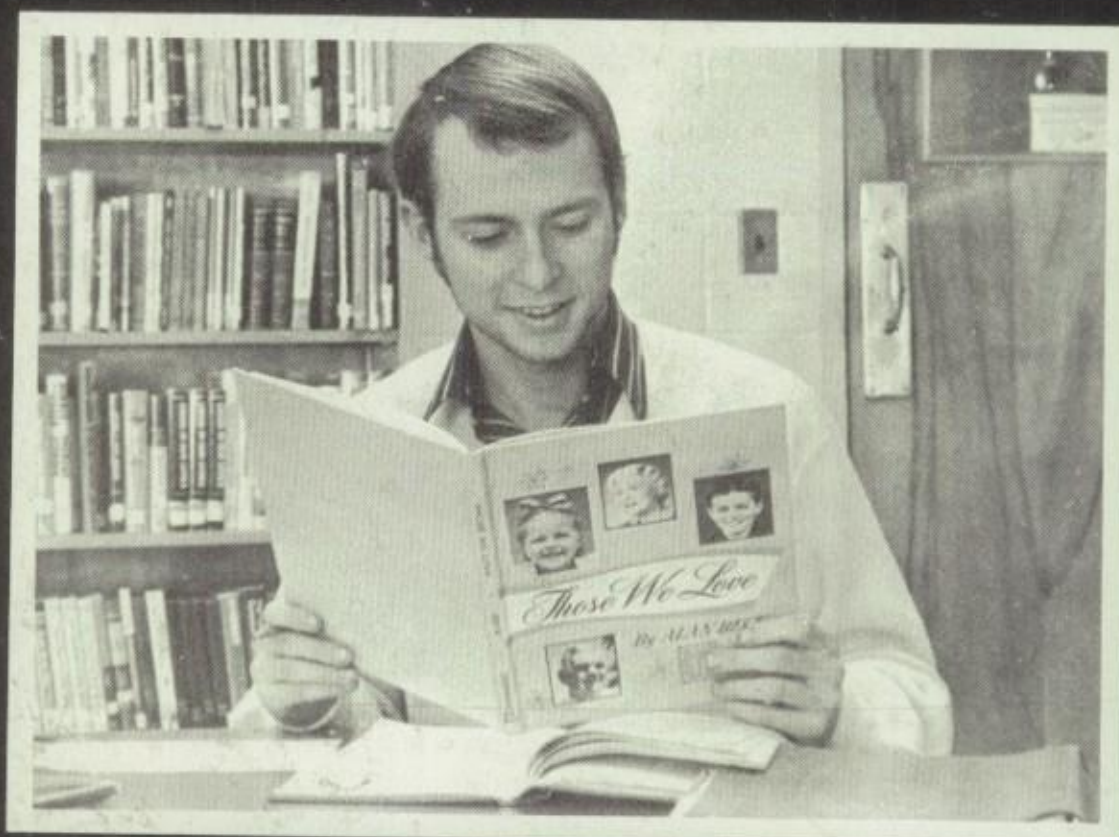

Liz has been a student of Seventy-First since she was a freshman. She entered the FBLA in her sophomore year, became Vice-President her junior year, and President her senior year. She played Powder Puff two years and was a Junior-Senior Committee Chairman.

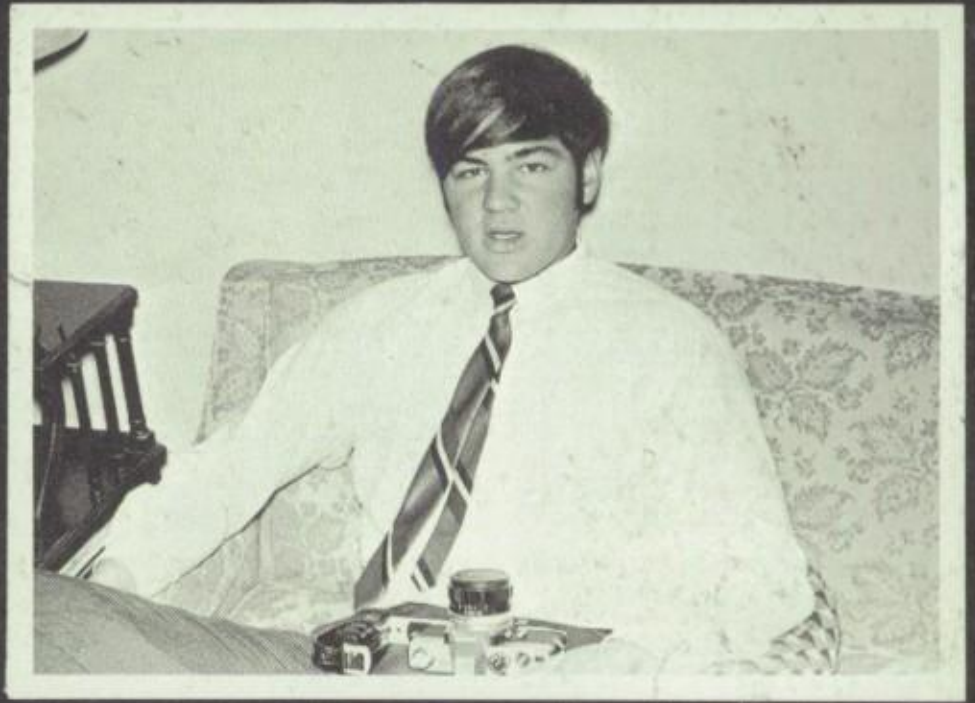

The Annual Staff would like to wish Liz the best in the future. She deserves it.

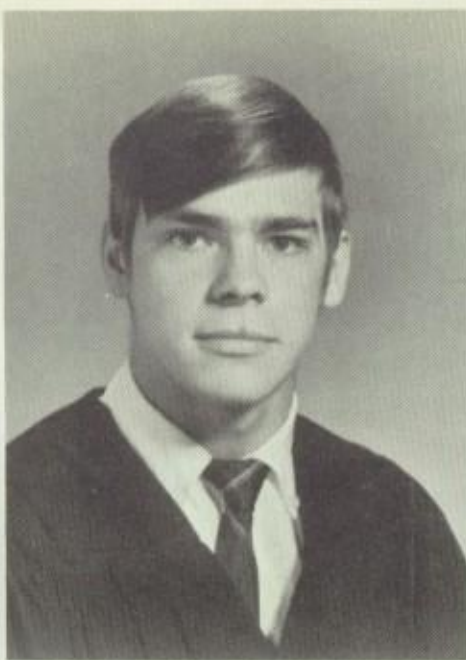

Patricia Kness attended the National Science Foundation Institute at UNC in Chapel Hill. The program lasted from June 8 to July 18 and gave fifty-nine high school students the chance to explore more deeply different areas of science.

Pat's courses included both lab and lecture sessions in computer programming, astronomy, math, and chemistry. Classes were scheduled from eight until five, but at night and on the weekends students were free to do as they wanted. Pat stayed in a college dorm and could use the school's Student Union, swimming pool and other facilities.

JUNIOR CLASS

In the autumn of 1969, more than five-hundred Juniors trooped into the Hallowed Halls of Learning of Twenty-First High School. New purpose, high spirit, and good intent reverberated with every footstep. During those first weeks, old acquaintances were renewed, new friendships were formed, and faculty members began the dedicated task of inspiring new horizons in learning.

In mid-September, this spirited group assembled in the gymnasium for the purpose of hearing speeches delivered by officers-elect. The returns resulted in the election of officers pictured above.

"The Falcon" soared to new heights, kept aloft by the sponsorship of Junior members.

Optimism prevailed throughout the week preceding the annual Powder Puff Game. Although the Seniors remained undefeated, this Junior activity provided pleasure and the necessary profit for the Junior-Senior Prom.

Interwoven with the warp and the woof of work and play loomed the expectancy of Scholastic Aptitude Tests. Class members with goals of higher education met the demands of chosen schools during the month of March.

With the arrival of Spring, Juniors, too, were bedecked in jeweled glory with their new class rings, long anticipated and forever treasured.

The grand finale, bringing down the curtain on a year of memories, happy and sad, was the honoring of the Seniors at the Junior-Senior Prom.

All too soon came the close of the year—and graduation. Clad in traditional white, fifteen Junior marshals escorted the Senior Class into the gymnasium. At this point, with tears of joy and sorrow intermingled, the Junior members inherited new roles of leadership, honor, and responsibility.

SOPHOMORE CLASS

September 2 marked the end of the summer vacation and the beginning of the 1969-1970 school year. The halls resounded with the laughter and excitement of this year's Sophomores. Once again they found themselves at the bottom of the totem pole, as they were the last Freshman class to walk the halls of Seventy-First. The class had the honor of being the largest ever to enroll in our school. The Sophomores at once contributed their enthusiasm into various other school activities — student council, clubs, and sports. With a "Yea, Sophomores!" ringing through the gym at the pep rallies, they exhibited school spirit. Participation in the FBLA Club, the FHA, the Drama Club, and other organizations expressed their realization that they would be the leaders of tomorrow. This year's Sophomores were last year's naive Freshmen transformed. Matured and ready to accept the challenges and responsibilities of tomorrow's Juniors and Seniors, the Sophomore Class marches on.

To Successful Year.

Debbie Davis, treasurer, collects money for Homecoming corsages.

This year's Student Council started work last spring after the elections of its officers. Under the auspices of the Council, this year's Student Handbook was published during the summer, and dialogues were held with students from former Anne Chesnut High. Orientation was held for all new students during the first week of school. The new system of Council and Class elections that was initiated this year received state wide acclaim and coverage in a major education magazine. Traditional Homecoming festivities were again inacted, but with some new twists. The Council prepared for the future by sending delegates to State and Local Workshops and conferences. Also, looking forward to the future, a comprehensive file of activities, procedures, recommendations, and literature has been started. This spring, elections will again be held, in addition to much evaluation and recommendations for next year. And, as always, Student Council continues to strive for increased and better communication and understanding among students and with the administration in order to discover new and better means for serving the varied needs of the Student Body.

"Books are keys to knowledge," is the motto of the Library Club, whose objective is to increase pupil interest and participation in the school library. The Library Club tries to help other students by telling them about the information file, microfilm reader, and certain books and magazines which might be helpful in doing a report or research paper.

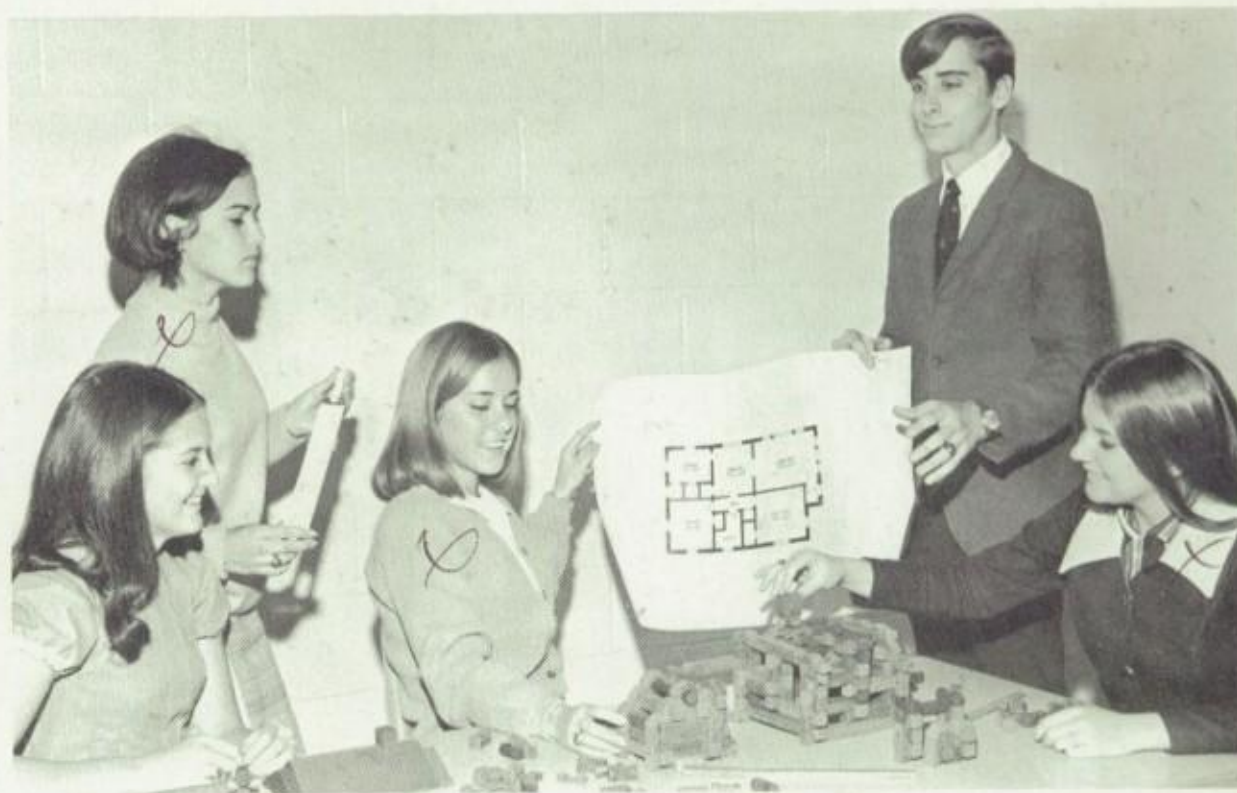

Some projects completed by the Library Club include a county-wide meeting attended by other schools in this area, and a Faculty Tea at which professional books were displayed for the teachers, who were honored with handmade felt bookmarks.

National Beta Club

Three purposes of the Beta Club are scholarship, leadership, and achievement. The members of the club have displayed all three aims this year through cooperation and determination. The club aided the teachers and parents during the Parent-Teacher conferences by acting as ushers; the members had a wide-spread doughnut sale in January; and the club, as in years before, will present a worthy senior Beta a scholarship. The club is now in the process of becoming a chapter of the National Honor Society.

This year the F.T.A. has undertaken many projects. The Teachers' Tea was held in the school library. A new Reading Program has been the main project to help those students in our school who have reading difficulties. The club plans to give a scholarship to a deserving senior member of the club at the end of the year. The student teaching days are on the calendar for the F.T.A. members to obtain first-hand experience at teaching. In January the club held an inter-club meeting, inviting schools from all over Cumberland County. This meeting was held so that the different F.T.A. chapters could share ideas and to help other schools form chapters.

Ah . . . !

Miss Lambie with other F.T.A. sponsors talk over new ideas and problems.

The foundation upon which the Future Farmers of America organization is built includes leadership and character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, and related fields, organized recreation, citizenship, and patriotism. The FFA exists today because of a co-operative spirit and a desire on the part of boys and girls preparing for a career in agriculture through vocational agriculture, to have a national organization in which they may secure practical business experience, act as their own instructors, and enjoy the fellowship of one another. Improved agriculture, better local communities, a more satisfying home life, and responsible citizens are emerging as a result of the students' experiences in FFA.

This year some of the club's projects were the improvement of the school's courts; a Parent banquet; Greenhouse and shrubbery work, along with landscaping; and FFA contests. At Christmas the club helped a needy family and set up a nativity scene in front of the school.

The theatrical group of Seventy-First, the Dramatics Club, has strived to become one of the most active and creative clubs in the high school. The play season was opened with two suspense dramas, "Sorry, Wrong Number" and "The Lottery." Two comedies followed. Plans began in January for an original musical. The Club attended plays at colleges, The Little Theater, and The Fort Bragg Playhouse.

"Being number one isn't easy. Staying number one is harder." Key Club International is the number one service organization of youth. The members of the Seventy-First Key Club have sought to serve our school and community by upholding the principles of Key Club International.

This year the Key Club collected clothes for the Salvation Army and gave a party at Falcon Orphanage. For the extension of culture, the "Seventy-First Key Club Hour" was put back on the air. The Club's Calendar for '69-70 was a financial success. Also one person was made extremely happy, the winner of the pony raffle.

The Key Club has attempted to make our world a little happier and more livable for at least a few people and has paved the way for another service organization, the Keyette Club.

The year was begun with calm and great ease.

Our deepest intent — a product to please.
A congenial clan gathered daily at two
To bring long range plans into focus and view.

Class pictures, club shots, specialties too,

Posed the pertinent question, "Do you know who's who?"

Statistics, indexing, and layouts galore
Brought hours of homework — and still there was more!

Our photographers steered us along a straight course.

Our advisor inspired us with patience and force.

Typewriters grew silent; photography ceased;

Fate lay with the printers; hopeful waiting increased.

A labor of love, we gave it our all.

May joys, hopes, and sorrows re-echo the call

Of this year's school memories captured for you.

Enrich them, preserve them, relive them anew.

Johnny -
You are a very decent person whom I
am proud to have the honor
of setting by in home room.
I wish you the best life has
to offer in the years to come.

Seventy-First Falcons had a very unimpressive year both in regular season play and in the Pioneer Conference, but the scores do not tell the complete story even though a team is judged by its won-lost column. The Falcons certainly displayed a determined effort to win each time they came on the field. Experience will do wonders for some fine outstanding players who will hopefully put Seventy-First back on top.

WRESTLING

The Falcons began their schedule this season with a dim outlook. Dropping their first three matches to Raeford, Sanford, and Bowman, the Falcons seemed to be upholding the tradition of Seventy-First teams who in the past have won a total of two wrestling meets. But the Falcons lived true to the old adage, "You can't keep a good man down," and pulled through by winning four of their last six matches. One, a narrow defeat by Raeford, proved to be one of the most exciting matches of the year. The Falcons ended their season with the Conference Tournament, winning seven third places and one second.

Top scorers for the Falcons this year were Phil Clement, 101 pound class; Jerry Fonke, 108; Jack Rogers, 132; Bill Stevens, 139; Greg Frey, 188; and Alexander Pate, unlimited.

As the season approached, the Falcon baseball team looked with anticipation toward their game against Lumberton. Losing by only two runs, they gained much experience and thus began playing members of the Pioneer Conference. A little extra luck was needed, for the Falcons dropped a close 2 to 1 decision to Stedman High School and lost six other games by only one run. Since seven lettermen will return to the team, the Falcons expect even more successful teams in the years to come.

SCHOOL RECORD HOLDERS

SCHOOL RECORD HOLDERS L to R: Wardell Townsend, Bob Acker, Danny Aimsforth, Mike Garcia, Skip Sanders.

Wardell Townsend set the school record in the broad jump during his Sophomore year. The leap earned him the conference championship fourth place in the sectional meet.

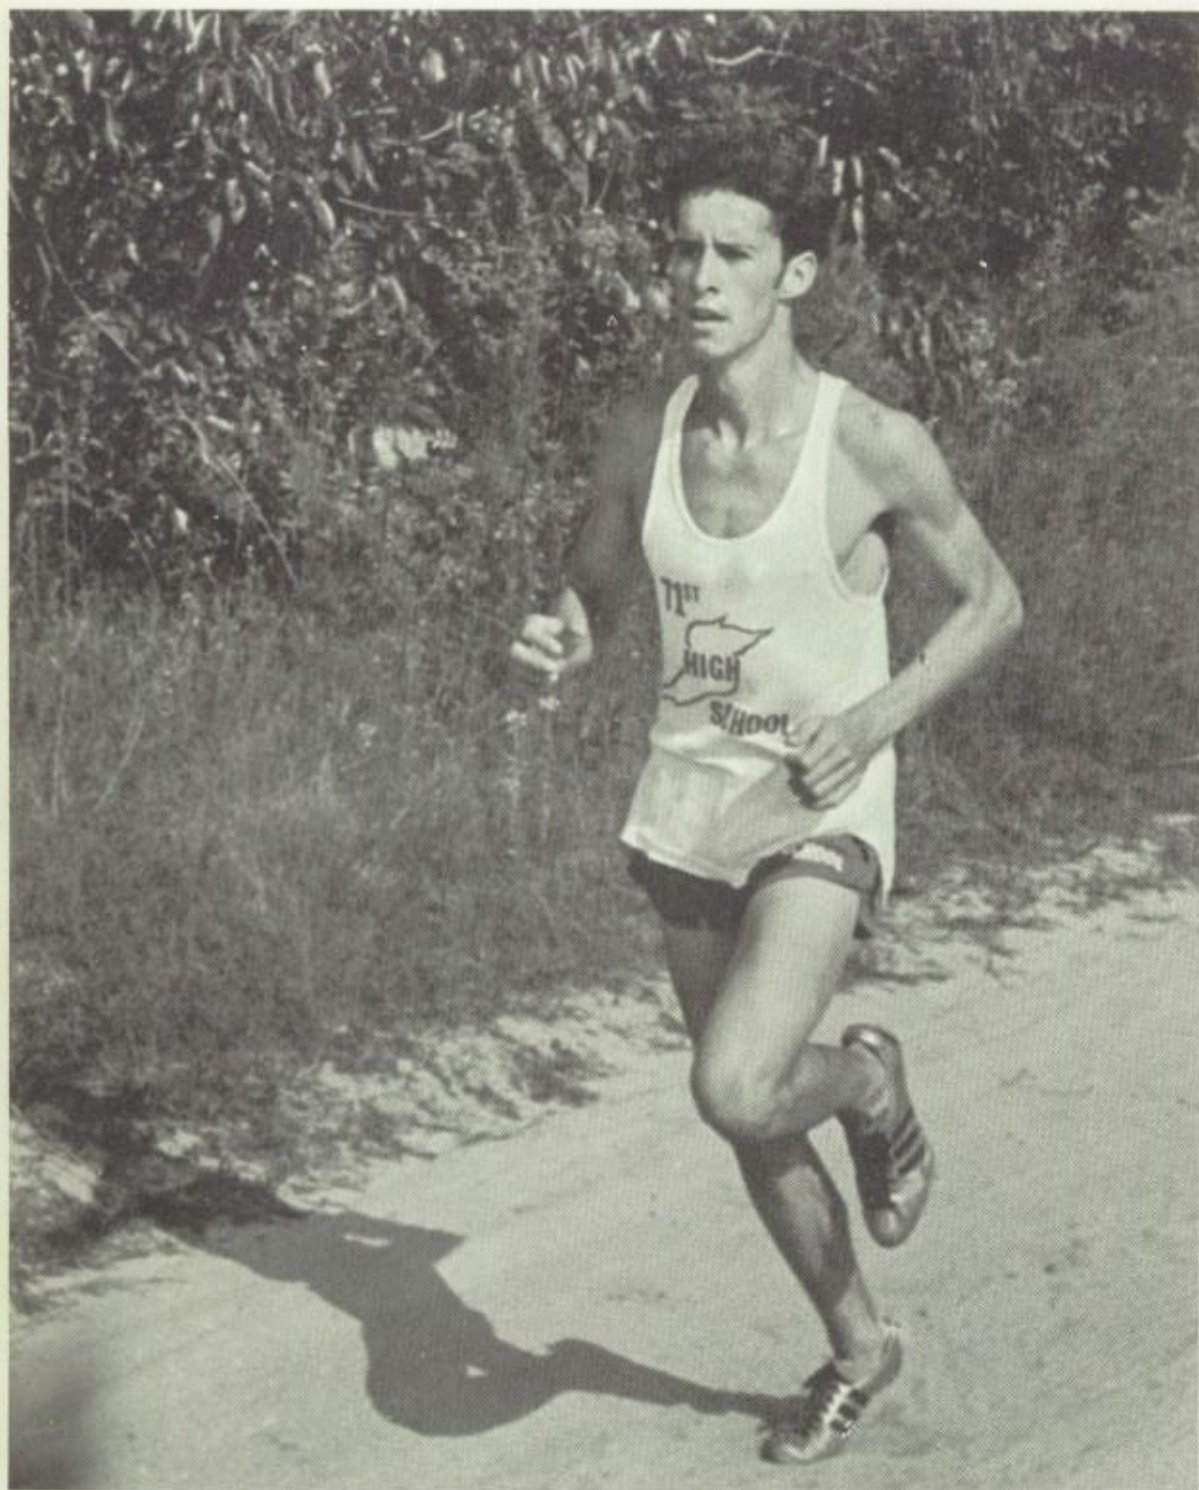

Bob Acker holds two school records. One is the pole vault, with a jump of 11 feet and six inches. Bob also placed fourth in the sectional track meet held at Terry Sanford. He holds the record for the high hurdle with a time of 16.8 seconds.

Danny Aimsforth set the record in the Shot Put during his Junior year.

Mike Garcia set the record for the mile in his Junior year. His four minute 30 second time earned him first place in the sectional meet. The following week, he placed sixth over all in the State Finals. Mike also holds the school record for the two mile run and is third place in the state.

Skip Sanders set the half mile record with a time of 2:02.9. This earned Skip first place in the conference and fourth place in the sectional track meet.

The Seventy-First Golf Team led by Kevin Barry, Tommy Brown, and James Surber marched to another successful year by winning the Conference Championship for the second year in a row.

The Conference medalist was Kevin Barry, who averaged two over par for each match. The second and third runner-up spots were awarded to Tommy Brown and James Surber.

Kevin Barry and James Surber qualified in the sectionals for play in the State match.

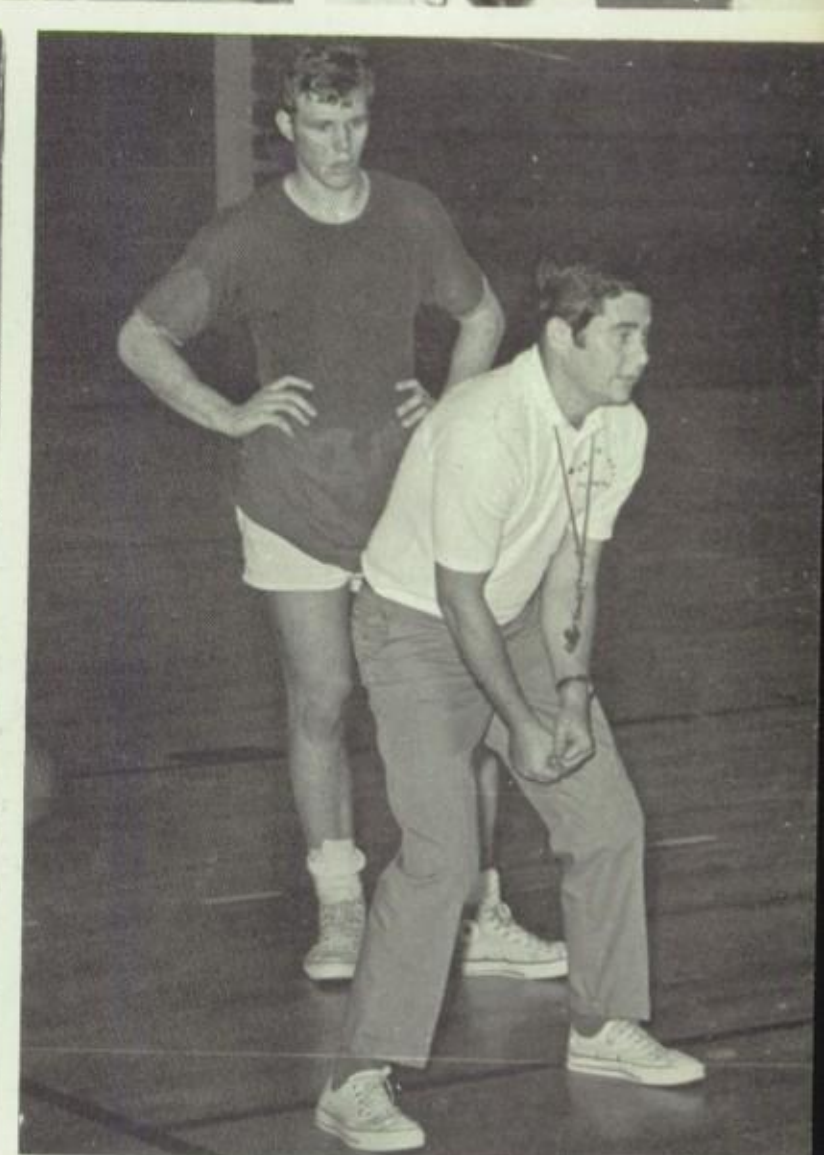

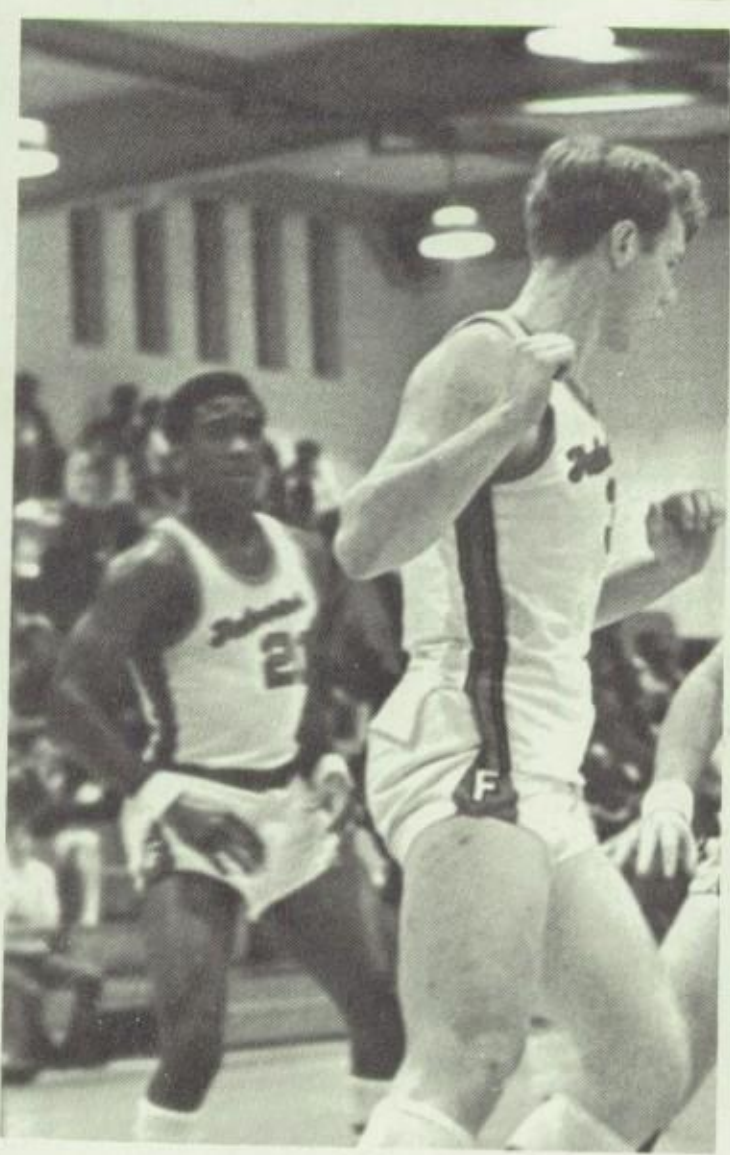

James Surber is furthering his golfing career at Pembroke State this year.

The returning golfers for 1969-1970 school year are Tom Brown and Ron Christopher.

"A year book is a memory book that will last forever. It is the only book that captures school life and preserves it for all to see. It is a historical record of our school for one year, but at the same time is more than just a history book that captures names and faces. It is an interpretation of these names and faces into a story of the school year... the happiness, joy, sadness, seriousness of people and their school life."

Each year the editor of the annual stands before the student body and tries to relate to you how hard it is to capture and place someone else's memories onto paper. I must repeat that, for this year has been no exception. The staff has spent approximately 100 days together during sixth period diligently working on this yearbook. This class has been a tremendous help but by now we're sick of looking at each other and sick of hearing each other's problems. So now YOU must hear our problems and see if you would like to be in our place. Personally, I don't think you would. If the choice were mine, I would probably be foolish enough to apply for the Annual Staff again, for I have learned a

To the classes of '71 and '72 the Senior members of the Annual Staff put before you the challenge of making the 1971 Hexagon even better than the 1970 yearbook. We met the challenge; now you must.
